

**AGENDA (Revised 12/12/08)**  
**Peer Consultation Pilot of HPV and EHPV Submissions**

Monday, December 15, 2008

**7:30 Registration**

**8:00 Meeting Convenes<sup>1</sup>**

Welcome, Description of Pilot, and Introductions: Dr. Andrew Maier, *TERA*

Meeting Process: Dr. Michael Dourson, Facilitator, *TERA*

*For each submission, the panel members will share their comments and discuss the charge questions:*

- *Is the information provided adequate to support the conclusions for each relevant SIDS endpoint?*
- *If a category is presented, is the rationale for the category reasonably appropriate, and is the use of read across scientifically defensible?*

*The panel members and sponsor representatives may ask one another clarifying technical questions. Observers may provide brief technical comments (2-3 minutes maximum), if they have pre-registered to do so.*
