

**Errata to
Deriving Database and Toxicodynamic Uncertainty Factors for
Reproductive or Developmental Toxicants**

September 19, 2005

The following are corrections to the text of August 24, 2005

Page 10, line 405:

Replace

“Brand et al.”

with

“Brand et al. (2001)”

Page 47, add the following citation between Berlin (2005) and Clarkson (1987):

*Brand, K.P., Catalano, P.J., Hammit, J.K., Rhomberg, L. Evans, J.S. (2001). Limitations to empirical extrapolation studies: The case of BMD ratios. Risk Anal 21(4): 625-640.
